Web Developer

Summary

I'm a back-end & front-end web developer, who likes new technologies, challenges and new experience. I'm a quick learner and I work as a freelancer. You can easily find me and contact me through social accounts or on email address. It would be a great honor to work with you.

Hope to hear from you soon.

Work experience

04.2016 - 10.2018	Web Developer <i>Alea Control</i> I worked on the frontend part of the betting and gambling apps for casinos and bookmaker. Also I was in contact with programmers from partner's company and with our clients from casinos and betting house. And one of my responsibility was to develop and maintain company's website. Main technology which I used was JS and AngularJS, HTML & CSS, GIT.
09.2017 - 11.2017	Lecture at the Course Business Garden
07.2018 - 09.2018	I worked as a lecturer at the initial course of web development where I taught students to the basics of HTML and CSS technology.
10.2015 - 03.2016	PHP Web Developer <i>BitLab</i> I worked on the web pages and web apps for clients. I also maintained legacy code. In addition, I worked in a team of developers and the main technologies that I used were PHP & Laravel framework, HTML & CSS, and also JavaScript.
11.2014 - 12.2014	Intern <i>OgoSense</i> I have successfully completed the program OGO Sense practices in the field of IT support and maintenance with focus on Client training and communication, Joomla CMS website management and CentOS administration.

09.2014 - 11.2014	Intern <i>E-Info</i> In this practice, I worked with MSSQL databases, I was introduced to the basics of Delphi programming language and creating a form for entering and collecting data from the database via the Delphi. Also, I was introduced to the design of the database via MSSQL, installing Windows and Linux OS systems and MSSQL Server installation. I also worked in Embarcadero Framework.
10.2013 - 11.2013	Census Instructor <i>Census BIH/RS</i> Managing and leading census team; Educating census taker; Census field work.
04.2007 - 09.2013	Commercial Manager <i>Plastic d.o.o</i> Selling a variety of plastic goods and items; Conducted client assessments; Supply and delivery of plastic goods.
